What to Bring

You will need beads for many things, so YES - bring beads! Beads for the Silent Auction (but please, try to send these in advance), beads to share and to trade, beads, beads and more beads! We also suggest bringing a notebook, your business cards, a sweater for those air-conditioned classrooms and lecture halls, a water or beverage bottle if you use one, protective glasses and any tools you might want or need for the Open Torch Event, or pre-post-conference classes.

We feel this is a win-win situation as it will save ISGB and our conference attendee's money.**
